Geological Survey of India

DETAILED INFORMATION DOSSIER (DID)
ON
MOLYBDENUM ORE IN INDIA
CONTENTS

PART – I : AN OVERVIEW – INDIAN AND WORLD RESOURCES IN BRIEF

CHAPTER	1	AN OVERVIEW	2
	1.1	Introduction	2
	1.2	History	2
	1.3	Definition, Grade and Specification	3
	1.4	Geological Setting and Resources	4
	1.5	Products for Trade and Industry	6
CHAPTER	2	WORLD RESOURCES	7
	2.1	Introduction	7
	2.2	Review	7
CHAPTER	3	INDIAN RESOURCES	9
	3.1	Introduction	9
	3.2	Geological Setting and Resources	9
	3.3	Industries and Consumption	11
	3.4	Foreign Trade	12
	3.5	Uses	13
	3.6	Prices	14

PART – II : STATEWISE DISTRIBUTION AND DETAILED DESCRIPTION OF MOLYBDENITE DEPOSITS OF INDIA

CHAPTER	1	ANDHRA PRADESH	17
	1.1	Geological Set up	17
	1.2	Discussion regarding the mineralized zone	18
	1.3	Grade and Reserve	19
	1.4	Recommendation	19
CHAPTER	2	CHHATTISGARH	20
	2.1	Geological Set up	20
	2.2	Discussion regarding the mineralized zone	22
	2.3	Recommendation	22
CHAPTER	3	HARIYANA	23
	3.1	Geological Set up	23
	3.2	Discussion regarding the mineralized zone	23
	3.3	Recommendation	23
CHAPTER	4	KERALA	24
	4.1	Geological Set up	24
	4.2	Discussion regarding the mineralized zone	25
	4.3	Grade and Reserve	25
	4.4	Recommendation	25
CHAPTER	5	MADHYA PRADESH	26
	5.1	Geological Set up	26
	5.2	Discussion regarding the mineralized zone	26
	5.3	Recommendation	27
CHAPTER	6	MAHARASHTRA	28
	6.1	Geological Set up	28
	6.2	Discussion regarding the mineralized zone	29
	6.3	Recommendation	29
CHAPTER	7	MEGHALAYA	31
	7.1	Geological Set up	31
	7.2	Discussion regarding the mineralized zone	32
	7.3	Grade and Reserve	34
	7.4	Recommendation	34

CHAPTER	8	RAJASTHAN	35
	8.1	Geological Set up	35
	8.2	Discussion regarding the mineralized zone	37
	8.3	Grade and Reserve	38
CHAPTER	9	TAMIL NADU	39
	9.1	Introduction	39
	9.2	Geological Set up	40
	9.3	A. Harur Area	42
		(i) Velampatti South Block	46
		(ii) Velampatti Central Block	49
		(iii) Velampatti North Block	50
		(iv) Velampatti North Extension Block	51
		(v) Agraharam South Block	53
		(vi) Agraharam Central Block	54
		(vii) Agraharam North Block	55
		(viii) Agraharam North Extension Block	56
		(ix) Marudipatti South Block	57
		(x) Marudipatti Central Block	58
		(xi) Marudipatti North Block	60
		B. Uttangarai Area	62
		(i) Ponnaiyar North Block	63
		(ii) Mannadipatti South Block	64
		(iii) Mannadipatti Central Block	64
		(iv) Mannadipatti North Block	65
		(v) Nochchipatti Block	65
		(vi) Vellakkal South Block	66
		(vii) Vellakkal Central Block	66
		(viii) Vellakkal North Block	67
		(ix) Vellakkal West Block	67
		C. Alangayam Area	68
		D. Karadikuttam Area	70
CHAPTER	10	OTHER MOLYBDENITE OCCURRENCES IN INDIA	73

Cover photo

Molybdenite, galena and pyrite mineralisation in vein quartz.
Velampatti South Block, Harur-Uttangarai Belt, Dharmapuri district, TN

(iii)

LIST OF PLATES

Plate No.	Title
1)	Map showing the locations of primary molybdenite occurrences in India
2)	Block wise distribution of gold prospects in south Kolar schist belt, Chittoor district, Andhra Pradesh
3)	Detailed geological map of the Kuditanapalli block, South Kolar Schist belt, Chittoor district, Andhra Pradesh
4)	Location map of areas showing Mo mineralisation in Raipur district, Chattisgarh
5)	Geological map of Bakrija Mosnuta area showing borehole locations, Mahendragarh district, Haryana
6)	Map showing locations of boreholes in Ambalavayal area, Wynad district, Kerala
7)	Geological map of Umri area showing the molybdenum mineralisation, Skarn zones and sample locations – Nagpur district, Maharashtra
8)	Location map of Sonapahar-Rongjeng Songsak area, West Khasi and East Garo hills districts, Meghalaya
9)	Geological map of a part of Rongjeng pluton, Nongchram area, Garo Hills, Meghalaya
10)	Vertical cross section of Salagachi quarry Sona-Pahar area, West Kasi hill district, Meghalaya
11)	Geological map of Harur-Uttangarai Belt, Dharmapuri district, Tamil Nadu
12)	Map showing the different blocks in Harur-Uttangarai Molybdenum Prospects, Dharmapuri district, Tamil Nadu
13)	Geological map of Velampatti South Block, Harur, Dharmapuri district, Tamil Nadu
14)	Map of Velampatti Central (VC) Block showing the disposition of mineralised shear zone and borehole locations
15)	Map of Velampatti North (VN) Block showing the disposition of mineralised shear zone and borehole locations
16)	Map of Velampatti North Extension (VNE) Block showing the disposition of mineralised shear zone and borehole locations
17)	Map of Agraharam South (AS) Block showing the disposition of mineralised shear zone and borehole locations
18)	Map of Agraharam Central (AC) Block showing the disposition of mineralised shear zone and borehole locations
19)	Map of Agraharam North (AN) Block showing the disposition of mineralised shear zone and borehole locations
20)	Map of Agraharam North Extension (ANE) Block showing the disposition of mineralised shear zone and borehole locations
21)	Map of Marudipatti South (MS) Block showing the disposition of mineralised shear zone and borehole locations
22)	Map of Marudipatti Central (MC) Block showing the disposition of mineralised shear zone and borehole locations
23)	Map of Marudipatti North (MN) Block showing the disposition of mineralised shear zone and borehole locations
24)	Map of Ponnaiyar North (PN) Block showing the disposition of mineralised shear zone and borehole locations
25)	Map of Mannadipatti South (MNS) Block showing the disposition of mineralised shear zone and borehole locations
26)	Map of Mannadipatti Central (MNC) Block showing the disposition of mineralised shear zone and borehole locations
27)	Map of Mannadipatti North (MNN) Block showing the disposition of mineralised shear zone and borehole locations
28)	Map of Nochchipatti Block (NB) showing the disposition of mineralised shear zone and borehole locations
29)	Map of Vellakkal South (VLS) Block showing the disposition of mineralised shear zone and borehole locations
30)	Map of Vellakkal Central (VLC) Block showing the disposition of mineralised shear zone and borehole locations
31)	Map of Vellakkal North (VLN) Block showing the disposition of mineralised shear zone and borehole locations
32)	Map of Vellakkal West (VLW) Block showing the disposition of mineralised shear zone and borehole locations
33)	Geological map of Alangayam area, Vellore district, Tamil Nadu
