GEOLOGICAL SURVEY OF INDIA

परिपत्र
CIRCULAR

It is noticed that the officers are not using the designation as per the Government of India Gazette Notification dated the 14.01.2010 on the designations for various posts in Geological Survey of India. This is particularly being done by the officers in the post of Superintending Geologists who are still using the designation Director (Geology) for themselves. This is viewed as serious and deliberate lapse on their part, which should be avoided under all circumstances. (Copy of the Gazette Notification is enclosed with this circular.)

All the officers of GSI are hereby directed to use the designations as per the Gazette Notification in their official correspondence as well as in the official seal. The Dy. Directors General & Heads of Department and all supervisory officers should also ensure that the notified designations are used in the official communications / circulars to the officers of various cadres / streams.
