***Sub: Second Meeting of the CGPB Subcommittee X (Fundamental and Multidisciplinary Geoscience)***

Sir,

The Second Meeting of the CGPB Subcommittee X on Fundamental and Multidisciplinary Geoscience is scheduled to be held on 27<sup>th</sup> November, 2009, in Geological Survey of India, Central Headquarters, Kolkata. As an esteemed member of the Subcommittee, your participation is earnestly solicited. Based on the recommendations of the earlier meeting of the sub-committee and the CGPB, the following agenda items have been decided:

1. Consideration of programmes from the participating Member Institutions as part of inter-institutional collaboration.
2. Modalities for setting up of a National Centre of Excellence for Geoscience Research, equipped with modern state of the art instrumental facilities.
3. Modalities for arranging training of personnel with appropriate background and aptitude in reputed laboratories in India and abroad to work in different research laboratories and in the proposed Centre of Excellence.

4. Preparation of mineral (for EPMA) and gem Standards in addition to Standard Reference Material for rock/soil samples.
5. Provisioning of documented samples from other Institutions for display in the Museums set up by GSI.
6. Setting up of a consortium (based on co-operative basis) to evolve the modalities to run the proposed Centre of Excellence (including its financial management).
7. Need for acquisition of new instruments.
8. Any other items suggested by the Members.

Your response regarding the above should reach the undersigned (as a soft copy) positively by 20<sup>th</sup> November,2009.

Yours faithfully,

( G. SARKAR)  
Member Secretary
